ALSO, for those of you that have paid January General Assessment, you owe for February and will owe March as well before the end of the month. The total Assessment is \$100. This will be re-evaluated at **April's Union meeting**. There would be a better chance of not needing another General Assessment if we did not have to take on the added expense of this mailing to remind members what they already know that they owe. **Simply put, if your January 2009 General Assessment of \$25 is not in the Union office by March 31, 2009, you will be suspended and must pay a reinstatement fee of \$50 - if not paid by April 30, 2009 your membership will be lapsed. PLEASE HELP US TO KEEP COSTS DOWN BY SENDING IN THE DUES, FINES AND ASSESSMENTS THAT YOU KNOW ARE DUE AS THEY ARE DUE.**

MARCH UNION MEETING

The next regular Union meeting will be held on Friday March 13, 2009 at 7pm. Note, the meetings will continue to be held on the Friday after the second Thursday at 7pm until further notice.

This is just a reminder to all of you that are eligible for a multi-phasic physical to take advantage of this opportunity. Early detection of the diseases contracted by the hazards that we are exposed to in our trade are essential in improving your chances in beating those illnesses. years. Your cost is \$74.91. Last year we only had 5 members take advantage of this opportunity.
